

## Course delivery

The course will be delivered by an experienced VTCT Educator. Please note you need to be in the position of having models available to work on to provide evidence for your e-portfolio needed for your qualification.

### Course overview

This qualification is about providing manicure and pedicure services to clients. It covers consulting with the client, recognising any contra-indications, preparing for the service and producing a service plan. It also covers filing and buffing the nails, using skin and cuticle treatments, massaging the hand and lower arm and providing a suitable nail finish. To carry out this qualification you will need to maintain effective health, safety and hygiene throughout your work. You will also need to maintain your personal appearance and good communication with the client.

Underpinning this qualification you will develop a sound knowledge of health and safety practices in a salon environment, and how to promote client care and communications in beauty related sectors.
